Educational Research Day

according to M.P. Schetinin

in the area of Brussels

This private seminar is organized by **ISKA – "Education of the New Age"**

On Saturday, 11th November from 10 a.m. to approx. 5 p.m

(The exact location will be announced shortly before the start.)

This seminar is ideal to get a first impression of the M. P. Schetinin pedagogy through the exemplary experience of exercise sequences, learning in small groups and immersing yourself in the daily structure of this wonderful model.

We are pleased about everyone who sets out with us on the way to enable "happy learning" for themselves and our children.
