

## Online - Seminar

*learn about the  
educational approach  
of M.P. Schetinin  
(Tekos School, Rusia)*

This private seminar is organized by ISKA – “Education of the New Era”

**On Saturday 16th December from 9 a.m. to approx. 5 p.m**

This seminar is ideal to get a first impression of the M. P. Schetinin pedagogy. In the seminar you will immerse yourself into the daily structure of this wonderful model, work in small groups, do some exercise sequences and get a firsthand experience what it means to learn by integrating the right and left parts of the brain.

We are happy about everyone who sets out with us on the way to enable "happy learning" for themselves and our children.
